

Hunter Incentive Program 2024/2025

In order to qualify for an either sex license (buck tag), the hunter must harvest at minimum three antlerless deer during the duration of the season (September 16, 2023-January 10, 2024.) Those hunters who successfully harvest a minimum of three antlerless deer will qualify for an either sex license (buck tag) for the 2024-2025 season.

*** All licenses' will be sold at the Wapello County recorder's office.

*** There is no requirement for those qualifying for an either sex license to first harvest a doe prior to receiving their either sex license they had previously qualified for. For example, if a hunter meets the minimum of 3 doe's harvested during the 2023-2024 season, that hunter will qualify for, and be able to use their either sex license beginning opening day of the 2024-2025 season. (September 2024).

***Button bucks or other male deer classified as "antlerless" (with no fork in the antler) are legal prey, and will qualify as doe harvests for the incentive program.
